DETAILED ACTION

1. The amendment filed 5/17/06 has been entered.

EXAMINER'S AMENDMENT

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Edward Tracy on 5/22/06.

The application has been amended as follows:

In claim 2, lines 1-2, delete "the at least one" and replace with --said--

Allowable Subject Matter

3. Claims 1-8 and 22 are allowed.
4. The following is an examiner's statement of reasons for allowance: Prior art fails to disclose an X-ray CT apparatus comprising a controller configured to set the opening of the collimator to a first and to a second opening size to irradiate first and second scanning ranges, respectively, and configured to perform a second scan of the second scanning range such that the second scanning range receives an amount of X-ray greater than an area external to the second scanning range, and a reconstruction part configured to reconstruct image data based on data collected by the second scan including data from the second scanning range and external data from an area within

the first scanning range but external to the second scanning range, as claimed in claim

1. Claims 2-8 are allowed due to their dependency on claim 1.

Prior art fails to disclose an X-ray CT apparatus comprising a controller configured to set the opening of the collimator to a first and to a second opening size to irradiate first and second scanning ranges, respectively, and a reconstruction part configured to reconstruct image data based on data collected by the second scan and external data in the first scanning range but outside the second scanning range, as claimed in claim 22.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
